cobas® Clinical Chemistry and Homogeneous Immunoassay Portfolio

- Anemia
- Bone
- Cardiac
- Coagulation
- Endocrinology
- Fertility
- Hepatology
- Infectious Diseases
- Inflammation
- Metabolic
- Neurology
- Oncology
- Women's Health
- Urinalysis
- Molecular assays
- Donor screening (Part of the Roche Blood Safety Solutions panel)
- Assay in different indications
- Different assays in same indication
- Smartcicles
- * In development
